## INSTRUCTIONS

### BUSINESS PRIVILEGE TAX

The Business Privilege Tax of 1.5 mills is to be paid on the **gross receipts** of Persons, Businesses, Trades, Occupations and Professions operating a business within the Township. **Where a taxpayer has receipts from interstate commerce, taxable receipts will be calculated as follows:**

(Total Gross Receipts x Apportionment Factor) = Gross Receipts Apportioned to Pennsylvania

The "Apportionment Factor" shall be the product of averaging the total of the following percentages: (1) Wages, salaries, commissions, and other compensation in Pennsylvania, as a percentage of the total wages, salaries, commissions and other compensation. (2) Value of the tangible personal property and real property owned or leased and situated within Pennsylvania as a percentage of the total tangible personal and real property owned or leased. For purposes of this calculation, the value of leased property is eight time the annual rent. (3) Gross Receipts from Pennsylvania sales and/or services, as a percentage of total Gross Receipts from sales and/or services.

### MERCANTILE TAX

The Mercantile Tax is to be paid on the **gross receipts** from the sale either at retail (1.5 mills) or wholesale (1.0 mill) of any goods sold by any "Dealer" operating a Business within the Township. This also includes food and beverage sold for consumption or otherwise within the Township. **Where a taxpayer has receipts from interstate commerce, taxable receipts will be calculated as detailed above.**

### TOTAL REVENUE UNDER \$25,000

If your total revenue for the year is under \$25,000.00 you do not have to pay any tax. You are still required to file this return and pay the license fee. You are also required to attach a copy of your Federal Return to verify your revenue.

### PARTIAL YEAR

If the business has not been operating for a full year then the Tax will be on the Gross Receipts for the period in the year that the business has been operating. The Estimated Tax shall be computed by dividing the Tax by the number of months in business and then multiplying by twelve (12).

### LICENSE

A separate license shall be required for each place of businesses within the Township. If a business is located outside the Township but providing services or selling products subject to the Business Privilege / Mercantile Tax within the Township, that business shall be required to obtain a license.
