### **MERCANTILE TAX**

The Mercantile Tax is to be paid on all the receipts from the sale either at retail (1.5 mills) or wholesale (1.0 mill) of any tangible goods sold. This includes the sale of goods from a place of business within the Township to a person who does not reside within the Township. This also includes food and beverage sold for consumption or otherwise.

### **PARTIAL YEAR**

If the business has not been operating for a full year then the Tax will be on the Gross Receipts for the period in the year that the firm has been operating. The Estimated Tax shall be computed by dividing the Tax by the number of months in business and then multiplying by twelve (12).

### **LICENSE**

A separate license shall be required for each place of business within the Township.
